

# Play the game tonight by Kansas

[Intro]

**Dm C Bb x2**

[Verse1 ]

**Dm C Bb Dm**  
You think that something's happening

**C Bb Dm**  
And it's bigger than your life

**C C Bb C Dm**  
But it's only what you're hearing

**C Bb Dm**  
Will you still remember

**C Bb Dm**  
When the morning light has come

**C Bb**  
Will the songs be playing over and over

**A A**  
Till you do it all over again

[Chorus 1]

**Dm C Dm**  
Play, play the game tonight

**Bb C**  
Can you tell me if it's wrong or right

**Dm C Dm**  
Is it worth the time, is it worth the price

**Bb Dm C Bb**  
Do you see yourself in white spotlight

**Bb Dm**  
Then play the game tonight
